

Dear Valued Customers,

## **Announcement for Price Revision**

Thank you very much for your patronage and choosing ESTIC Products.

Regarding the subject of the title, various materials in our product Handheld Nutrunner (Handy2000 series) including semiconductor products, raw materials and transportation costs continues to rise. Under these circumstances, we are continuing our corporate efforts to reduce manufacturing costs and improve operational efficiency, however, it is extremely difficult to maintain a stable supply at the current prices.

We apologize for the inconvenience, however, from May 23<sup>rd</sup>, 2022 we have decided to revise the price of our Handheld Nutrunner (Handy2000 series). In addition, we will continue to offer our products (Handy2000 Cordless, Micro, Tracer Arm series) at the same price as before.

We will continue to endeavor to supply better products and services. We also appreciate for your understanding and cooperation in this matter and will remain available if you have any questions.
