Dear Valued Customers,

### **Announcement for Price Revision**

Thank you very much for your patronage and choosing ESTIC Products.

Regarding the subject of the title, various materials in our product including semiconductor products, raw materials and transportation costs continues to rise.

Under these circumstances, we are continuing our corporate efforts to reduce manufacturing costs and improve operational efficiency, however, it is extremely difficult to maintain a stable supply at the current prices. With this situation, from July 1st, 2022 we have decided to revise the price of repair parts.

We appreciate for your understanding and cooperation in this matter and will remain available if you have any questions.
