

Price Revision Notice

Dear Valued Customer,

We are pleased to extend our sincere congratulations on the continued growth and prosperity of your company. We would also like to express our heartfelt appreciation for your continued support of our products.

Regarding the subject above, we wish to inform you that the costs of various materials, raw components, and logistics have continued to rise for our Nutrunner and Hand Nutrunner product lines (Z Series, Handy 2000 Series, Handy 2000 Cordless, Micro, Tracer Arm, and Servo Press Series). Although we have made every possible effort to reduce manufacturing costs and improve operational efficiency, it has become increasingly difficult to maintain a stable supply of these products at the current pricing levels.

Accordingly, it is with sincere regret that we must revise the prices of the Nutrunner and Hand Nutrunner product lines (Z Series, Handy 2000 Series, Handy 2000 Cordless, Micro, Tracer Arm, and Servo Press Series), effective **May 21, 2026**. For detailed information regarding the revised pricing, please contact your sales representative.

We remain committed to delivering high-quality products and services, and we sincerely appreciate your understanding and cooperation in this matter.

Sincerely,

Appendix
