ESTIC Corporation

Servo Nutrunner Control Unit Notice of Discontinuation of the AU50M Series

This letter is to inform you that ESTIC Corporation is discontinuing production of the products of AU50M series.

Due to the discontinuation of production for key components used in the AU50M Series Servo Nut Runner Control Units, we anticipate difficulties in securing a stable supply of these parts. Consequently, we have decided to discontinue production of this series and will gradually transition to the successor model, the AU50F Series. We would like to express our sincere gratitude for your continued support over the years.

The successor model, the AU50F Series, is fully compatible with the AU50M Series. It retains the functionality and operability of the AU50M Series while offering improved performance and maintainability. Furthermore, future functional expansion updates will be supported exclusively for the

The following part numbers are affected by this obsolescence.

Products for obsolescence

Product	Discontinued model	Alternative
AXIS Control Unit	ENRZ-AU50M-10	ENRZ-AU50F-10
	ENRZ-AU50M-20	ENRZ-AU50F-20
	ENRZ-AU50M-40	ENRZ-AU50F-40
	ENRZ-AU50M-5K2	ENRZ-AU50F-5K2

Schedule

The transition will take place in stages, starting in October 2026
