To Our Valued Customers

ESTIC Corporation

Servo Nutrunner Control Unit Notice of Discontinuation of the AU50R Series

This letter is to inform you that ESTIC Corporation is discontinuing production of the products of the AU50R series.

The following part numbers are affected by this obsolescence.

Products for obsolescence

Product	Discontinued model
AXIS Control Unit	AU50R-10
	AU50R-20
	AU50R-40
	AU50R-2K

* The tool unit (ENRZ series) can continue to be used in combination with its successor model (AU50F).

Schedule

Last day to place orders: End of June 2027 / Last day for repairs: End of June 2034

Successor Model

AU50F Series

For more details, please contact our sales representative.

Please note that even before the repair service deadline mentioned above (the end of June 2034), repairs may not be possible if replacement parts become difficult to obtain. We appreciate your understanding.
