ESTIC Corporation

## Servo Nutrunner Control Unit Notice of Discontinuation of the SPU50 Series

This letter is to inform you that ESTIC Corporation is discontinuing production of the products of the SPU50 series.

The following part numbers are affected by this obsolescence.

Products for obsolescence

| Product            | Discontinued model |
|--------------------|--------------------|
| Press Control Unit | SPU50(C)-20        |
|                    | SPU50(C)-40        |
|                    | SPU50(C)-5K        |
|                    | SPU50C-5K2         |
|                    | SPU50M-20          |
|                    | SPU50M-40          |
|                    | SPU50M-5K          |
|                    | SPU50M-5K2         |

\* The press unit (SPT, SPH and SPC series) can continue to be used in combination with its successor model (MPU60).

Schedule

Last day to place orders: End of June 2027 / Last day for repairs: End of June 2034

Successor Model

MPU60 Series

For more details, please contact our sales representative.

Please note that even before the repair service deadline mentioned above (the end of June 2034), repairs may not be possible if replacement parts become difficult to obtain. We appreciate your understanding.
